

The Buddha's teaching makes the wise tranquil like a fathomless lake still and clear.

82. *Yathā'pi rahadō gambhīrō
vippasannō anāvilō
ēvaṃ dhammāni sutvāna
vippasīdanti paṇḍitā. (6:7)*

Even as a fathomless lake,
a lake so calm and clear,
so dhammas having heard
serene the wise become.
